

Project: Helping Some Brilliant Students to Continue Education, 2010

Hridoya Bangladesh (HB), a non-profitable organization, launched its first project back in 2007 with a view to promote education among underprivileged population of our country. Since then, it has taken various initiatives to financially support poor but brilliant students at different stages of their education. Sponsoring higher secondary education of talented students is one such effort taken by HB since 2007. With the generous help of its patrons, HB was able to continue this project for 2012 HSC examinees. 15 highly talented students (who passed SSC exam in 2010) from remote places of Bangladesh were supported throughout their college education with monthly stipend, admission and registration fees. The project link is as following: <http://www.hridoyabangladesh.org/helpedu10.html>.

HB happily announces that these unprivileged students made satisfactory achievement in the HSC examination. A summary of their results is presented here:

Table 1: Result Summary

GPA Obtained	Number of students	Percentile
A+	11	73%
A	3	20%
B	1	7%
Total	15	100%

We share the achievements of the students this year as the number of A+ increased from 38% to 73%. Our help were effective to prevent dropouts in this year. Now, our students are preparing for admission tests in different universities. We wish them every success in their lives. We also express our gratitude to all the donors who made it possible for HB to help these students to successfully complete their college education. In the next page, information in details for each student has been presented.
