

Project: Helping Brilliant Students to Continue College Education

Dear All,

The objective of this project is to raise funds for the financially challenged students who showed promising results in SSC Exam 2015. Every year we read about the success stories of these unprivileged students in the daily newspapers, and feel an urge to help them. This is a small effort to help some of them to successfully finish their college education. Hridoya Bangladesh (HB) believe that with a little support from all of us, they can flourish their talents and develop their full potential. HB needs your financial contribution to execute this effort. You can find more detail information about this project in this link: http://hridoyabangladesh.org/project/?Project_ID=22.

The outcomes of this project in the previous years are very encouraging. Overall, we have found that with our little support, these students can successfully finish their college education and get admitted in the renowned universities. Some of our supported students are currently studying at Dhaka University, Rajshahi BIT, Jahangirnagar University, Khulna University, Chittagong University, and Agricultural University. Provided that, these students came from the unprivileged families, this is a satisfactory achievement. This was possible through generous support from a lot of kind-hearted people like you living in Bangladesh and abroad.

This year, we are planning to provide financial support to **20** students. To support a student for two years we need approximately **US \$500**. Thus, in total we need to raise **US \$10,000** to support all students. Here the rough breakdown of this estimated cost.

Approximated Expenses Areas	Estimated Cost (in Taka)
Monthly Stipend Cost (Tk. 1,000 per month for 24 months)	24,000
College Admission and Initial Expenses (i.e., buying books etc.)	5,000
Admission to HSC Second Year and related costs	2,500
HSC Exam Registration (Form-Fill Fee)	2,500
Post-HSC cost for University Admission Preparation	5,000
Other Costs (i.e., Money Transfer Fee etc.)	1,000
Total Cost Per student	40,000 Taka (US \$500)

How can you contribute? You can contribute any amount and we will save it in a common fund. From this fund, students will receive their financial support in a regular basis.
